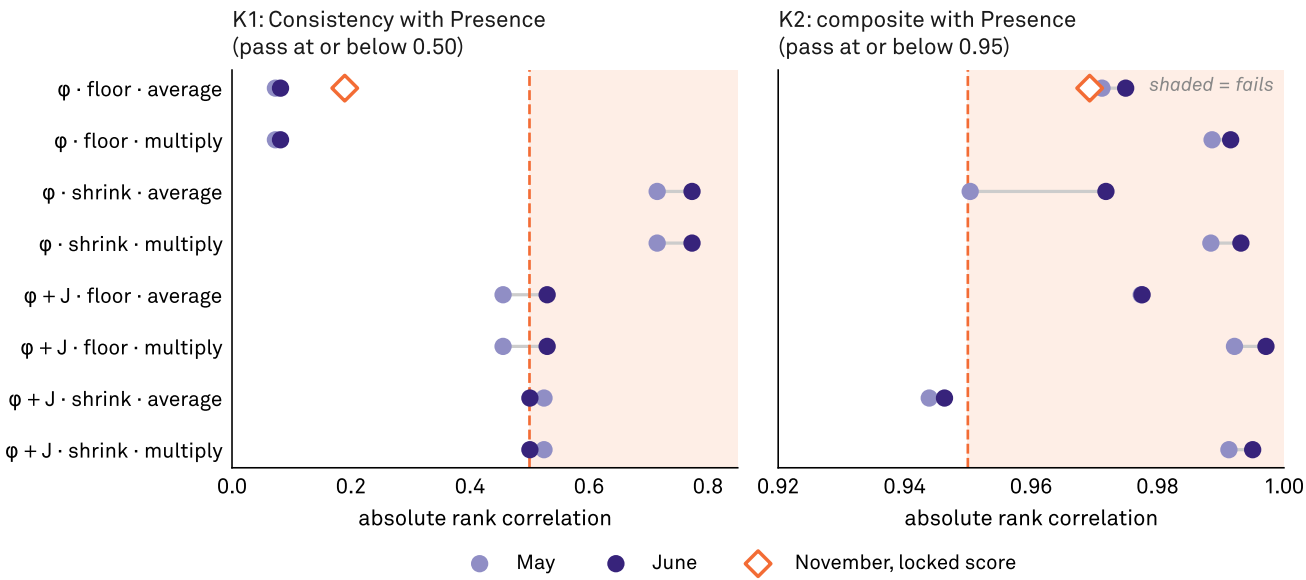
No single score passes: the composite follows Presence

The eight pre-specified composites, May and June (v1.9 Stage 1), with November for the locked score.

Row: Consistency score · rule for brands with few mentions · how the two are combined.



v1.9 Stage 1: no candidate passed K1–K3 at both waves; November ρ(A, P) = 0.97 (H_NoComposite_t3, descriptive).
