

Kitchen knives — AI Presence × Trends, per-brand scatter

Each point is a brand at one wave; eligible (E1a + E1b) brands only. Coloured by tradition (six-level: chinese / japanese / british / indian / us_specialty / french). The registry-expanded panel includes 28 brands stratified across six tradition cells, with the new french cell n=4 (Mariage Frères, Palais des Thés, Kusmi, Dammann Frères).
